

#DrawYourDecade

The UN Decade of Ocean Science for Sustainable Development (Decade) is a

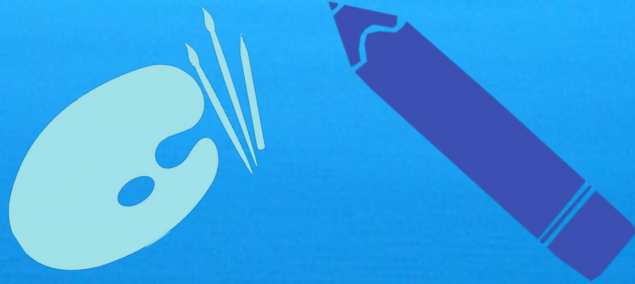

10-year, -wide program asking the question - *how do we transform the the world to move from the “ocean we have” to the “ocean we want”?*

Have an idea? Share it with the #DrawYourDecade campaign!

We're challenging you to visually express your vision for the  over the next **10** years.
