

Hello refillable bottle users,

We got your back!

We provide free tap water for you to refill a water bottle in support of our community initiatives and the environment.

Please note that this service may not be available all the time depending on the time, day and season.

Ocean Wise YouthtoSea initiative:

Encouraging the use of re-fillable water bottles by identifying and creating more re-fillable water locations to tackle the plastic pollution in our community.

Who we are: <https://education.ocean.org/youth/assignments/folder/1305>
